HISTORIC AMERICAN ENGINEERING RECORD

NY-40

AMERICAN LOCOMOTIVE COMPANY, FOUNDRY

HASER
NY,
7-DUNK,
2A-

Date: c. 1910

Location: 320 S. Roberts St. Dunkirk, Chautauqua County, NY

Owned by; American Locomotive Company

Significance: Using steel frame construction and sheathed in brick and glass, the American Locomotive Company's Foundry building is a typical example of 20th century industrial architecture.

Transmitted by: Dan Clement, 1983
